Sub: My humble prayers to implement creamy layer concept in SC/ST Reservation in Jobs throughout India in all the States.

Sir/Madam,

Claiming reservation benefit by the children of persons who are IAS officers, IPS Officers, Doctors , Engineers , M.L.A, M.P's, Ministers belonging to SC/ST Community cannot be allowed. Can we equate the Children's of Sweepers belonging to SC/ST with that of the children of collectors, Judges, Ministers, M.L.A, M.P who belonging to SC/ST. If we remove creamy layer concept in SC/ST Reservation both the son of a sweeper and the son of a collector who belong to SC/ST Community will participate in race for Job. In that race for job, definitely the son of the collector will win because he is educationally and economically far advanced than the son of the Sweeper.

All benefits from the Government must reach only to the poor people and not to the rich. The rich cannot be allowed to grab the life and livelihood of the poor people.

Hence I pray to you to implement creamy layer concept for the reservation in the Jobs to the Persons belonging to SC/ST.
