

Ideology of Our Sangh / Organization / Party

Main aim:

To establish socialism and communism in India i.e. there is neither rich nor poor but everybody is equal in status, equal in social and economic condition.

To abolish casteism, communalism and religious terrorism, superstitious beliefs in the name of caste, God, Religion.

To take the people towards God instead of towards rituals.

To give wages as per job and as per qualification.

To fix minimum salary and maximum salary to all categories of employees.

To fix minimum price and maximum price to all the products including agricultural produces.

To give quality education and also moral education.

To give quality Medical Treatment.

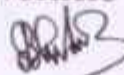

To promote self-respect to reject all freebies given to people by the parties for votes. Everybody should work and earn his livelihood.

Our Policy on Agriculture

Farmers should and must cultivate food crops. They cannot cultivate cash crops alone such as sugarcane, turmeric, coconut, banana tapioca, maize etc., on the entire stretch of their lands. Suppose if one farmer has one acre land, he must cultivate food crops in $\frac{1}{2}$ acre land and cash-crops in $\frac{1}{2}$ acre land. **Govt. concessions would be given only to the farmers who cultivate food crops. Tax would be levied on the farmers who cultivate only cash crops as per Income Tax Act.** Pension would be given to the farmers.

Our policy on Agricultural Labourers.

Much attention and priority would be given to the agricultural labourers because the agriculture workers are the back-bone and the

life-breath not only to the Nation but also to the farmers because these agricultural labourers are actually working on the fields and not the farmers. Minimum Rs.500/- Maximum Rs.1000/- would be fixed as their wages per day to the men and Minimum Rs.300/- Maximum Rs.600/- would be fixed as wages per day to the women. Pension would be given. Free house sites and free Govt. built houses would be given. Scholarships would be given to their children. In jobs top-most priority would be given to the sons and daughters of our agricultural labourers.

Policy on Education :

Quality education would be given. **English would be taught right from the 1st standard itself. Examination would be conducted for all classes right from the 1st standard upto college. The evil system of "All Pass" would be abolished. Moral education classes would be conducted right from the 1st standard to inculcate morality and good character to the students.** Students cannot allowed to keep hair style of their choice. The generally accepted hair style or military type only would be allowed. **Three language formula would be followed.** i.e. English, Hindi or Sanskrit and the state language. English and the state language is compulsory. Hindi or Sanskrit or Arabic, Japanese, Chinese could be taken as optional subject. Minimum pass marks would be fixed at 50% for all subjects. Minimum internal marks for assignments, attendance, behaviour would be fixed at 15% Totally every student must get 65% marks including internal marks. Students who get below 50 marks in Exam would be declared failed. The students who get below 15 marks in internal would be declared failed internally and they need not write exam but they have to attend the class in the next academic year.

Our Policy on Religion

No particular religion would be patronized. All religious would be given equal protection and treatment. Religious terrorism would not

be allowed and would be abolished mercilessly. No religion could spread superstitious beliefs in the name of God, religion or in any other way. Temples, Churches, Mosques should not practice Casteism, Communalism and religionism or any other unlawful practices. If a Christian comes to Hindu temple, he should not be prevented. In the same way if a Hindu comes to Church, he should not be prevented by saying that he is not a Christian because God does not see our caste, our religion, our money or our language. God would see only our heart and mind.

Our policy on Family and Culture:

In family life "one man one wife" alone should be our guiding principles. Women would be given equal treatment with that of men. Women are not slaves of men but are equal partners of men. Marriage with the same sex will not be allowed because it against the order of God and Nature. In public places dress code would be followed and the violators would be punished. Women could be given equal shares in the property of men. Women beaters would be arrested and jailed and all women killers would be hanged. Immoral women and immoral men and the children who commit crimes would be punished for the good of the family and for good of the nation.

Our Policy on Corruption :

Corruption and bribery would be destroyed mercilessly as the farmers weed out weeds among crops. To the corrupt persons and to their family members, ration card, Voter card and Govt. concessions would not be given. Children of corrupt persons would not be given admission in Govt. Schools and colleges. To the children of corrupt persons, scholarship and other concessions and Govt jobs would not be given. All the assets, acquired through corruption and bribery, would be confiscated.

Our Policy on Reservation :

Reservation in govt. jobs would be allowed to be continued until we eradicate casteism, communalism, and caste based atrocities. Rich and resourceful persons in all the categories would not get jobs in reservation. Economically, socially and educationally backward people in all the categories in Reservation Policy would be given priority. Social backwardness is the main condition upon which priority would be fixed.

Our policies on Centre-State relationship

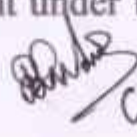

Each state would be allowed to manage its affairs freely and independently without intervention of the Government at the centre. There would not be National parties. National parties would be denounced because each state's culture, language, customs, food habits, resources are different. Only the representatives from all the state regional parties would rule at the centre to maintain the identity of all the states and to the growth of all the states equally.

Our War Strategy :

Pen alone should be used. Only to protect our life and our property, we should use force. Only the official acts and the public life of an individual should be criticized and their personal life should not be criticized. In the same way other parties/sanghs/policies would be criticized and not the personal life of their members. We should not do offensive acts and we must do only defensive acts. We must use only peaceful methods and not violent methods in our struggles. Cyber attack should not be done on any person, because that is the cowardly method and cunning method of fight.

Our policy on Taxation :

All incomes above certain limits from all professions including agriculture would be brought under tax net because all people should

contribute to the nation. When people expect rights they should also be ready to do certain duties to the nation. How a family is run with the income and cooperation of all the family members, in the same way a state is run.

Our policy on God :

As per the ideology of our organization, God is nameless, homeless, formless, casteless and religionless. This is our concept on God. People may worship God in forms or formless. It is their individual choice. But the people cannot spread superstitious beliefs in the name of God in the name of religion. This we should oppose. We should take people towards God instead of towards empty and wasteful rituals and ceremonies as practiced by certain religions. God does not require our offerings. God requires our pure heart, pure mind and pure deeds. We should highlight that Panchaboothams (Five Natural Elements) are real Gods. Without Panchaboothams, no creatures can exist on earth including the gods created by the religions. This concept we should spread.

Our Policy on Casteism & Communalism

Practising casteism and communalism in any manner and in any form in public places would be crushed mercilessly and those persons would be jailed. No bail would be granted. No govt. jobs, no ration cards, no voter cards, no electricity, no water connection would be given to the person who practice casteism and communalism and in government schools and colleges, admission will not be given to their sons and daughters. ^{Rapists} Honour killers would be hanged.

Our policy on Labourers

"Equal pay for equal work" would be the guiding principle. Jobs according to qualification and wages according to jobs would be given. **Strikes would not be allowed. Striking employees would be dismissed.** Both labourers and the employers should not cheat and

exploitate each other. Both should work for the welfare of each other. Employers will not be allowed to squeeze the blood of the labourers by extracting more work and paying low wages. All the employers, in addition to gratuity, PF, they must maintain pension fund to help the labourers after retirement. When the employees has a right to demand a share in the profit of the employers, then they also must bear the loss of their employers in running that concern.

Our Policy on Health :

Utmost priority would be given to Health. Free treatment would be given to the poor people. All unnecessary populist schemes followed by the erstwhile Government would be abolished to avoid wasteful expenditure. Health Insurance would be given freely to the poor people.

Our policy on freebies :

All freebies, for votes, would be abolished. Everyone must work and earn his livelihood. All concessions and subsidies would be given need-based and also on economic condition based. Only education would be given freely i.e. fees fixed by the Government for education and examination would be free. No free books, No free uniform, No free bags, No free Labtops would be given. It is the duty of the parents to bear these expenses. Government cannot bear these expenses. Free noon-meal would be given only to the needy and poor students. The rest of the freebies such as marriage assistance, free bus-pass etc would be abolished. **Scholarships would be given only to the needy and poor people.**

Our policy on Old Age Pension :

Only old-age pension would be given above 60 years age to all poor sections of people excluding rich and resourceful people, land-holding people, government employees etc.,

Control on Social Medias :

Social medias would not be allowed to intrude into the personal life of the people and into the right to privacy of people. Spreading any message, images etc about the personal life of any person would be punished with death because cyber attack is more graver offence than murder because it affects not only the bodily health of the people but also mental health. It works as a slow poison.

Our policy on Foreign countries relationship :

There will not be any Trade or military ties/agreements with the capitalist countries. Trade agreements/tie-ups and military agreements & tie-up will be only with the communist and socialist countries.

Our policy on Import & Export :

Our agricultural produces will never be allowed to be exported to other countries. Whatever is produced in agriculture should be utilized only for our country. If we allow exports of agricultural produces to other countries, food shortages and price rise will occur in our country. Only technological and scientific items would be allowed to be imported into our country. Whatever is produced in our country would be utilized for the consumption and usage of this country people. Nothing would be exported.

Our policy on Inter-State relationship :

Each state would function independently as a self Government without dependence on Central Government. Each state would maintain its military.

Any other policies now and then if necessary in the interest of poor people and nation would be introduced and implemented at any time as per necessity.
